BAKE 'N' REUSE™ PAN LINER

MAXIMIZE SUSTAINABILITY:

Certain types of baked products allow up to 3 to 4 uses!

(not intended for multiple applications if product contains peanut or other known allergens)

REDUCE COSTS AND IMPROVE PROFITS WITH MAXIMUM SUSTAINABILITY!

Bake 'N' Reuse™ Pan Liners provide a unique combination of cost reduction and improved sustainability benefits. The release coating is chromium free and durable, which allows you to use the liner for multiple bakes.

The liners are made with unbleached natural paper, which reduces raw material waste by 20% versus white (bleached) liners.

Our corrugated outer box advertises the Bake 'N' Reuse concept in English and in Spanish so your employees will remember to help you reduce your costs per bake.
