EVERYDAY DISPOSABLE PLASTIC DRINK CUPS

Deep draw thermoformed polypropylene coextruded technology

Rim roll formed in-line for consistency

Maximized print space for greater graphic real estate

Surface finish offers a crisp, clean graphic reproduction

Minimized stack shoulder allows for greater cubic efficiency

Durable plastic cups for your everyday fountain business – it's not just for promotions anymore!

Transition area maximizes cup hoop strength

Tapered, fluted base fits in car cup holders, yet cup is not "top heavy"

BENEFITS:

- Cups will not leak: no seam
- Cups will not crack: polypropylene is pliable and has a memory
- Higher-end, longer lasting cups vs. paper for multiple branding impressions
- Snug lid fit for greater spill resistance
- Cups will maximize your freight efficiencies
- Polypropylene is an environmentally friendly material
- Available in white and translucent

CUSTOMIZATION OPTIONS:

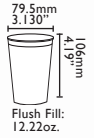

- Dry Offset Printing, up to 10 colors
- In-line exact placement game labeling and fully automated digital game labeling
- Full customization capabilities; if you can dream it, we can do it
