Quilon Pan Liners

Quilon Pan liners are stocked in a 16-3/8" x 24-3/8" sheet size in order to fit the baking industry's standard baking pan. The sheet acts as a release agent so less product is left sticking to the pan.

Baking costs are thereby reduced by minimizing clean up time after baking.

Quilon treated pan liners are a 25 pound (40 GSM) specially treated bleached kraft sheet. Quilon is suitable for the majority of baking applications. Stock quilon sheets are offered in 1,000 and 2,000 sheet cartons.

- This product is STAR-K certified PAREVE and KOSHER FOR PASSOVER.
