

DELtainer® microwaveable containers

NEW

Do you need a workhorse line of containers designed to hold everything from soup to nuts? DELtainer® microwaveable containers fill that position very nicely. Like all Newspring containers, it's microwaveable, stackable, end-user reusable for the consumer and refrigerator-friendly.

YSD2532

Features	Benefits
Leak Resistant Deli Seal	Maintains food quality and helps prevent messy leaks and spills
Stackable Lids & Bases	Provide secure nesting and stacking for various merchandising settings and helps secure product in place during transportation
Exceptional Temperature Endurance	Allows for a variety of food applications, both hot and cold. Can be stored in freezer, refrigerated or microwaved
Clear Container Design	Makes product identification simple
Smoothwall Design	Provides adequate surface area for easy and secure label placement
Custom Dry-offset Printing	High quality print capability of up to 8 colors for enhanced brand image

These guidelines are supplied to assist you in determining the proper use of Newspring/Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
