

ELIMINATES THE NEED FOR SLEEVES AND DOUBLE CUPPING

- Air pocket insulation eliminates the need for sleeves or double cupping, which reduces serving time, operating expenses and increases operational efficiencies
- Matte finish (no clay coating) on overwrap offers superior grip and better handhold feel (especially important for larger sizes)
- Print area spans entire length of cup, allowing maximum space for customized graphics to showcase operator brand/logo without a sleeve covering the graphics

Duo Shield® Insulated Paper Hot Cups

ELIMINATES THE NEED FOR SLEEVES AND DOUBLE CUPPING

Duo Shield® insulated paper hot cups provide air pocket insulation to keep beverages hot and hands at a comfortable temperature. This dual layer product, made from plant-based renewable resources with a poly lining that acts as a moisture barrier to keep liquid inside the cup, eliminates the need to add a sleeve or double cup hot beverages. The ideal solution for specialty coffee, lodging, travel and leisure operations.

Solo's Premium Insulated Paper Hot Cup - Keep the Heat, Lose the Sleeve

Air Pocket Insulation
For perfect hand-held temperature without a sleeve

Superior Grip
Matte finish surface for non-slip grip

Top-to-Bottom Graphics
Provides more space to showcase your brand

Eco-Forward®
Made with plant-based renewable resources

Variety
Available in multiple sizes and stock designs
